

Mike and Sherrylynn Johnson, hosts of the Vegas Tuffest Jr. World Championship, are excited to offer a new element to their 2020 event!

The Vegas Tuffest Jr. World Championship, held December 2-7, will be adding the Vegas Tuffest Stallion Incentive Program to the 2020 event.

This program is offered to contestants whose horse(s) is sired by an enrolled stallion. At no extra cost to the Vegas Tuffest contestants, this is a great way for our young athletes and their equine partners to win some bonus cash!

Vegas Tuffest Stallion Incentive Program is open to all discipline siring stallions. The pedigrees of the contestants' horses are a diverse field including, goat tying, barrel racing, breakaway and tie down roping with our youth athletes qualifying across the United States and Canada.

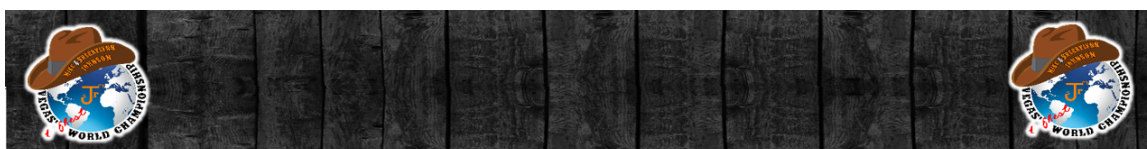

This sponsorship program is designed to promote the Youth in rodeo, as well as your stallion and its direct offspring. With your 2020 sponsorship enrollment fee of \$2,000 per stallion, we will award the highest point-earning contestant in a single event, and their horse a bonus check, as well as a check to the winning stallion owner. The point system is designed to set a fair playing field for all of the horses in our many age categories and events. Points will be awarded on the contestant's placing in each go, short go, and average. Stallion owners and contestant winners will be based on highest total points in one of our eleven events. Vegas Tuffest may award up to five placing's. (number of placing's to be determined by enrollment.) We are anticipating 500-800 contestants in Vegas for 2020!
