Vegas Tuffest Jr. World Championship

10 UBOYS AND GIRLS DOUBLE MUGGING

Vegas Tuffest encourages young youth through the 10U Double Mugging event to be better prepared to transition into the 12 U Tie Down Roping. In 2024, Vegas Tuffest will showcase (20) Double Mugging contestants (10 years of age and under as of January 1, 2024) at the Vegas Tuffest Jr. World Championship finals in Las Vegas. We have expanded this showcase event to include (12) other qualifiers in addition to the current 5 Star Bonus Series Events' qualifiers. This gives contestants in other states an opportunity to qualify for the Double Mugging showcase event.

Double Mugging is eligible to utilize the Vegas Tuffest sponsorship program but is NOT eligible for sponsorship money as the contestant is not a World or Reserve World Champion. These (20) contestants will be selected by:

If the event winner is not entered in the Vegas Tuffest sidepot, the next highest Double Mugging average winner entered in the Vegas Tuffest sidepot will be determined the winning qualifier position. If the average winner of the Double Mugging at the (18) designated Vegas Tuffest qualifiers ends in a tie, ties need to be broken at the qualifier. A minimum of 5 Vegas Tuffest sidepots must be paid to qualify the average position.

The final (2) Double Mugging positions will be filled by the 5 Star Bonus Series Top 2 total point earners from the (6) 5 Star Bonus Series qualifier events. A Double Mugging contestant does not have to compete at all (6) qualifier events to be eligible but must compete at (4) of the (6) 5 Star Bonus Series events. **Only points will be awarded to positions entered in the Vegas Tuffest sidepot and placing at the qualifier including non-members and contestants already qualified. No drop down in average points for any reason. Only the highest place at each 5 Star Bonus Series events qualifier will count for points total. Contestants MUST pay the Vegas Tuffest sidepot at each of the 5 Star Bonus Series events until they have qualified for Vegas Tuffest in that specific event in order to receive points towards the Bonus prize for 5 Star Bonus Series. Once the contestant has qualified for the event, they do not have to continue to pay the Vegas Tuffest sidepot but can still compete to get points in that event.

**If 2nd place in the final (2) spots for Double Mugging at 5 Star Bonus Series Event ends in a tie for total points, all tied contestants will be taken.
